Sixth Sunday of Easter

Getting Started

What do you miss the most from life a year ago?

Into the Word

Read **Acts 17:22-31**.

As Paul visited Athens, so much of the culture must have really disturbed him. Yet how does Paul respond and why does he respond that way?

How did Paul make use of Greek “items” readily at his disposal in order to point to the true God?

Think of some aspects of your society that trouble you. How might you mirror Paul’s godly response?

Read **John 14:15-21**.

How can Jesus say that the Spirit “lives with you and will be in you”?

What comfort is ours when Jesus says, “Because I live, you also will live”?

Apply

How have you seen the Spirit living in you lately? How have you seen the opposite?
